

1. **APPLICABILITY.** These terms and conditions (“**Terms**”) are the only terms that govern the sale of goods or performance of services by CDA InterCorp, LLC (“**Seller**”) to or on behalf of the buyer (“**Buyer**”). Notwithstanding anything herein to the contrary, if a contract signed by both parties exists covering the sale of goods or performance of services covered hereby, the terms and conditions of that contract will prevail to the extent inconsistent with these Terms. Any quotation or confirmation of order accompanying these Terms, or into which these Terms are incorporated by reference (collectively, the “**Agreement**”), comprises the entire agreement between the parties and supersedes all prior or contemporaneous understandings, representations, warranties, and communications, written or oral. These Terms prevail over any of Buyer’s general terms and conditions of purchase regardless of whether or when Buyer submitted its order or such terms. Fulfillment of Buyer’s order does not constitute acceptance of Buyer’s terms and conditions and does not serve to modify or amend these Terms.
2. **DEFINITIONS.**
 - a. “**Party**” means Seller or Buyer individually.
 - b. “**Parties**” means Seller and Buyer collectively.
 - c. “**Product**” or “**Products**” means those services, goods, supplies, materials, articles, items, parts, components or assemblies described in the Order.
 - d. “**Order**” means the instrument of contracting, including these terms and conditions, and all other referenced documents, and any subsequent changes or modifications.
3. **DELIVERY AND SHIPPING TERMS.** Unless otherwise agreed in writing, Seller shall deliver Products FCA (Incoterms 2010) Seller’s factory in Deerfield Beach, FL (the “**FCA Point**”) using best available commercial packaging practices and in compliance with applicable federal, state, and local transportation regulations, to ensure safe and timely delivery to destination. Partial shipments shall be permitted without liability or penalty. All shipping and transportation charges shall be paid by Buyer. Each shipment will constitute a separate sale and Buyer shall pay for Products shipped, whether such shipment is in whole or partial fulfillment of Buyer’s Order. If for any reason Buyer fails to accept delivery of Products on the delivery date or if Seller is unable to deliver Products on the designated delivery date because Buyer has not provided appropriate instructions, documents, licenses or authorizations: (i) risk of loss to the Products shall pass to Buyer; (ii) the Products shall be deemed to have been delivered; and (iii) Seller, at its option, may store the Products until Buyer picks them up and Buyer shall be liable for all related costs and expenses (including, without limitation, storage and insurance). Delivery dates are approximate. Delivery dates are based on prompt receipt of Orders by Seller and all information necessary to permit Seller to proceed with work immediately and without interruption and satisfactory assurance of compliance with the terms of payment agreed upon.
4. **TITLE AND RISK OF LOSS.** Title and risk of loss passes to Buyer upon delivery of the Products at the FCA Point. As security for payment of the Price, Buyer grants to Seller a purchase money security interest in and to all right, title and interest of Buyer in, to and under the Products, wherever located, whether now existing or hereafter arising or acquired from time to time, and in all accessions thereto and replacements or modifications thereof, as well as all proceeds (including insurance proceeds) of the foregoing.
5. **INSPECTION AND ACCEPTANCE.** Final acceptance or rejection of the Products shall be made as promptly as practical after delivery to Buyer; however, unless earlier rejected, the Products shall be deemed by the Parties to be accepted within 30 days after delivery to Buyer. Upon acceptance of each unit of Products, Buyer waives any right to revoke such acceptance for any reason, whether known or unknown to Buyer at the time of acceptance. Any defect or nonconformance becoming apparent in the Products after such acceptance shall be corrected under, and subject to, the conditions of Article 8 (Warranty) below.
6. **PRICE.** Buyer shall purchase the Products from Seller at the prices (the “**Price**”) set forth in Seller’s quotation as of the date that Seller accepts Buyer’s Order or as otherwise agreed by the Parties. All Prices are exclusive of sales, use and excise taxes and any other similar taxes, duties and charges of any kind imposed by a governmental entity on amounts payable by Buyer. Buyer is responsible for all such charges, costs and taxes, but Buyer is not responsible for taxes imposed on or with respect to Seller’s income, revenues, receipts, personnel or real or personal property or other assets.
7. **PAYMENT TERMS.** Unless Seller has extended credit to Buyer, Buyer shall pay in advance of shipment. Should Seller elect to extend credit to Buyer, payment shall be made in full within thirty (30) days from the date of Seller’s invoice. All payments shall be in U.S. dollars. Unpaid balances over thirty (30) days may be subject to a finance charge at the lesser of 1.5% per month or the highest rate permissible under applicable law, calculated daily and compounded monthly. Seller reserves the right at any time to change the amount of or to withdraw any credit extended to Buyer. Buyer shall reimburse Seller for costs incurred in collecting late payments, including, without limitation, attorneys’ fees. In addition to all other remedies available under these Terms or at law (which Seller does not waive by the exercise of any rights hereunder), Seller is entitled to suspend the delivery of any Products if Buyer fails to pay any amounts when due hereunder. Buyer shall not withhold payment of any amounts due by reason of any set-off of a claim or dispute with Seller, whether relating to Seller’s breach, bankruptcy or otherwise.
8. **WARRANTY.** Seller warrants all Products to be furnished under this Order shall be free from defects due to faulty workmanship or material for the period of twelve (12) months from the date of delivery to Buyer. Seller neither expressly nor impliedly warrants against defects in design, workmanship and material of parts or materials manufactured by a third party (“**Third Party Product**”) and utilized by Seller in our Products. Third Party Products are not covered by this warranty, and for the avoidance of doubt, **SELLER MAKES NO REPRESENTATIONS OR WARRANTIES WITH RESPECT TO ANY THIRD PARTY PRODUCT.** Seller shall give to Buyer (insofar as it is assignable) the benefits of any express written warranties given to Seller by such manufacturer or other vendors. Seller shall have no obligation to process any warranty claim against such manufacturer and supplies for the benefit of Buyer. Seller neither expressly nor impliedly warrants, nor makes any

representation whatsoever, as to the service life of our products since conditions of usage and experienced service life are neither within the control of nor knowledge of Seller. This warranty shall apply only on the condition that;

- a. Buyer delivers written notice of its claim under this Article to Seller within such warranty period, and within fifteen (15) days of the time when Buyer discovers or should have discovered the defect which is the basis for its claim;
- b. Seller is given a reasonable opportunity after receiving notice to examine the Products and Buyer (if Seller requests) returns such Products to Seller's facility at Seller's cost for such examination;
- c. Seller reasonably determines (in its sole discretion) that such allegedly defective Products are indeed defective and are not the result of normal wear and tear, have not been used by Buyer after giving notice, the Products have not been altered or repaired without Seller's prior written consent, subject to accident, abuse or misuse, improper installation or removal, improper handling or have not been operated and maintained in accordance with the applicable specifications; and
- d. The Products have not been the subject of a replication (i.e. reverse engineering) program, either formal or informal, sponsored or supported by Buyer, U.S. Government or other entity.

The obligations and liabilities of Seller under this warranty are expressly limited to (i) the replacement, repair or re-performance by Seller of such Products, or (ii) credit or refund of the Price of such Products at the pro rata Price but, if Seller requests, Buyer shall, at Seller's expense, return such Products, to Seller. Buyer may effect warranty repairs of the confirmed defective Products at its facility only with Seller's prior written approval. Seller will reimburse Buyer for such repair at labor rates to be mutually agreed upon, but not exceeding Seller's own rates. Seller will reimburse Buyer for its reasonable transportation costs to return such Products which are confirmed by Seller to be defective in accordance with subparagraph (8)(c) above when greater than \$50.00. THE WARRANTIES PROVIDED IN THIS CLAUSE ARE EXCLUSIVE AND IN SUBSTITUTION FOR, AND SELLER HEREBY DISCLAIMS, AND BUYER HEREBY WAIVES, ALL WARRANTIES AND LIABILITIES OF SELLER AND ALL CLAIMS AND REMEDIES OF BUYER, EXPRESS OR IMPLIED, ARISING BY LAW OR OTHERWISE, WITH RESPECT TO ANY DEFECT IN ANY PRODUCTS, INCLUDING, WITHOUT LIMITATION, ANY (A) IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR USE OR FOR A PARTICULAR PURPOSE, (B) ANY IMPLIED WARRANTY ARISING FROM COURSE OF DEALING OR PERFORMANCE OR USAGE OF TRADE, (C) RECOVERY BASED UPON TORT, WHETHER OR NOT ARISING FROM SELLER'S NEGLIGENCE, AND (D) ANY RECOVERY BASED UPON DAMAGED PROPERTY, OR OTHERWISE BASED UPON DAMAGED PROPERTY, OR OTHERWISE BASED UPON LOSS OF USE OR PROFIT OR OTHER INCIDENTAL OR CONSEQUENTIAL DAMAGES. THIS WARRANTY SHALL NOT BE EXTENDED, ALTERED OR VARIED EXCEPT BY A WRITTEN INSTRUMENT SIGNED BY SELLER AND BUYER. IN THE EVENT THAT ANY PROVISION HEREOF SHOULD FOR ANY REASON BE HELD INEFFECTIVE, THE REMAINDER OF THIS WARRANTY SHALL REMAIN IN FULL FORCE AND EFFECT.

9. **LIMITATION OF LIABILITY.** Seller will not have any liability for liquidated damages, or for collateral, indirect, incidental, consequential or special damages, including loss of profits or loss of use, and the aggregate total liability of any damages under any resulting Order, including mutually agreed modifications, shall in no event exceed the Price of the Product giving rise to the claim (or claims) of liability, whether resulting from delays in delivery or performance, breach of warranty, claims of negligent manufacturing, patent or copyright infringement, or otherwise. The limitation of liability set forth in this Article will not apply to (a) liability resulting from Seller's gross negligence or willful misconduct and (b) death or bodily injury resulting from Seller's acts or omissions. Buyer agrees to indemnify and hold harmless Seller from all claims by third parties which extend beyond the foregoing limitations of Seller's liability.
10. **COMPLIANCE WITH LAWS.** Each Party shall comply in all respects with all applicable legal requirements governing the duties, obligations, and business practices of that Party and shall obtain any permits or licenses necessary for its operations. Neither Party shall take any action in violation of any applicable legal requirement that could result in liability being imposed on the other Party.
11. **TERMINATION.** In addition to any remedies set forth herein, Seller may terminate the Agreement with immediate effect upon written notice to Buyer, if Buyer: (a) fails to pay any amount when due under the Agreement; (b) has not otherwise performed or complied with any of these Terms, in whole or in part; or (c) becomes insolvent, files a petition for bankruptcy or commences or has commenced against it proceedings relating to bankruptcy, receivership, reorganization or assignment for the benefit of creditors. Performance of work under this Order may be terminated by Buyer, in whole or in part, if, within thirty (30) days of Buyer's notice to Seller, or any mutually agreed extension to which the Parties have agreed, Seller fails to: (i) cure any material failure to perform, discharge or fulfill its obligations under this Order, (ii) fails to make progress so as to materially endanger performance of the Order, or (iii) fails to provide adequate assurance of future performance. Buyer may require Seller to deliver to Buyer any supplies, materials and manufacturing materials Seller has specifically produced or acquired for the terminated portion of the Order. In the event of a termination under this article, Seller shall be paid an amount which shall be adequate to cover the reasonable cost of Seller's actual performance of work plus a reasonable profit thereon. In no event will Seller be required to submit, provide, furnish or relinquish any Seller intellectual property or proprietary information. Seller shall continue all work not terminated.
12. **PROPRIETARY AND CONFIDENTIAL INFORMATION.** All non-public, confidential or proprietary information of either Party, including, but not limited to, specifications, samples, patterns, designs, plans, drawings, documents, data, business operations, customer lists, pricing, discounts or rebates, disclosed by one Party to the other, whether disclosed orally or disclosed or accessed in written, electronic or other form or media, and whether or not marked, designated or otherwise identified as "confidential," or "proprietary" in connection with the Agreement is confidential and proprietary, is solely for the use of performing the Agreement and may not be disclosed or copied unless authorized in advance by the disclosing Party in writing. 13. **FORCE MAJEURE.** Seller shall not be liable to Buyer, nor be deemed to have defaulted or breached the Agreement, for any failure or delay in fulfilling or performing any term of the Agreement when and to the extent such failure or delay is caused by or results from acts or circumstances beyond Seller's reasonable control including, without limitation, any acts of God, flood, fire, earthquake, explosion, governmental actions, war, invasion or hostilities (whether war is declared or not), terrorist threats or acts, riot, or other civil unrest, national emergency, revolution, insurrection, epidemic, lock-outs, strikes or other labor disputes (whether or not relating to either Party's workforce), or restraints or delays affecting carriers or inability or delay in obtaining supplies of adequate or suitable materials, materials or telecommunication breakdown or power outage. If, due to any such circumstances, shortages should occur in Seller's supply of any specific Products, Seller may allocate deliveries to its customers as it determines in its sole discretion.
 14. **CHANGES.** These Terms may only be amended or modified in a writing that specifically states that it amends these Terms and is signed by each Party. Buyer may, at any time prior to the delivery date, and with due notice to Seller, request a change to the Order. Such request will be submitted in writing. If accepted by Seller, and if such change causes an increase in the cost of or the timing required for Seller's performance under the Order, then the price and/or delivery schedule of the Products corresponding to such changed portion(s) of the Order shall be equitably adjusted and the Parties shall modify the Order accordingly in writing. Any changes to the Order shall bind Seller only if they are in a writing signed by a duly authorized employee of Seller at director level or above.
 15. **INDEMNITY.** Seller shall indemnify and hold Buyer and its customers harmless from and against any expense or liability, including reasonable costs, fees and damages, arising out of any claim, suit or proceeding that the manufacture or furnishing of Products under this Order, or the use of such Products (without modification or further combination) or sales of such Products constitutes infringement of any U.S. patent. If an injunction should issue, Seller shall procure for Buyer and its customers the rights to continue using said Products, or modify them in a manner acceptable to Buyer so they become non-infringing, or with the written approval of Buyer, remove said Products and refund the purchase price. Each of Seller and Buyer agree to indemnify and hold the other Party harmless from and against any expense or liability, including reasonable costs, fees and damages, arising out of (a) a breach of any of its representations, warranties or other obligations under this Order and (b) any act or omission of its employees, agents or representatives, except to the extent caused by the negligence or misconduct of the other Party.
 16. **INTELLECTUAL PROPERTY.** Buyer agrees that Seller has designed the Products being supplied under this Order and shall own all intellectual property rights associated with such Products and such designs. Buyer agrees that all information provided by Seller related to such designs is proprietary and confidential and Buyer shall assert no right in such designs by reason of use by Buyer or disclosure to Buyer of such designs. In no event will Buyer copy, reproduce, reverse engineer or attempt to reverse engineer, or cause or request others to reverse engineer or attempt to reverse engineer any drawings, designs or Products provided by Seller. Except as otherwise provided herein, no Party shall have any right, power, or authority to create any obligation, express or implied, on behalf of any other Party. Nothing in this Order is intended to create or constitute a joint venture, partnership, agency, trust, or other association of any kind between the Parties or persons referred to herein.

22. **GOVERNING LAW.** All matters arising out of or relating to the Agreement are governed by and construed in accordance with the laws of the State of Florida without giving effect to any choice or conflict of law provision or rule (whether of Florida or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than those of the State of Florida. The United Nations Convention on the International Sale of Goods does not apply to any matter arising out of or relating to the Agreement.
23. **SUBMISSION TO JURISDICTION.** Each Party hereby submits to the exclusive jurisdiction of, and waives any venue or other objection against, any federal court of the United States or courts of Florida, in each case located in Broward County, in any legal proceeding arising out of or relating to this Agreement.
